2007 Younkin Reunion

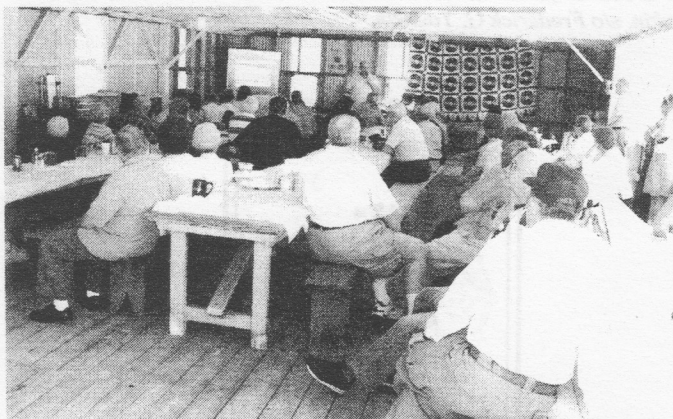

A Great Powerpoint!

Minerd.com's founder, Mark A. Miner, gave a powerpoint talk at the 2007 Junghen-Younkin Reunion in Kingwood, Somerset County, PA, about the founding of the Younkin National Home-Coming Reunions of the 1930s, led by Charles Arthur Younkin and other Younkin cousins. New webpages were created featuring detailed descriptions of the reunions from 1934 to 1941, relying on contemporary newspaper accounts and rare family letters. Plans have been made to reprint the full set of eight issues of the *Younkin Family News Bulletin* newspaper published from 1937 to 1941. Bound sets will be available for sale at the Junghen- Younkin Reunion at Kingwood on Sat., July 26, 2008.

Clark Brocht and Blair Younkin Jr. display new signs for two of the Younkin cemeteries

The Annual Tour – Consisted of a visit to the Yankee John Younkin Cemetery, and the Delilah Younkin Cemetery, which was led by Blair Younkin, Jr. and Mark Miner. New signs were completed last year to mark two local cemeteries, displayed at the reunion, and erected later by Blair Younkin, Jr.

Younkin National Reunion Draws 1,200 Crowd to Kingwood

The third annual National Younkin home-coming reunion was held Sunday, August 23, in the I. O. O. F. Grove at Kingwood.

The descendants of John Henrick Younkin, who came from Holland to Philadelphia, September 17, 1753, aboard the Richard and Mary, John Herman Younkin, who arrived October 8, 1737, on the Charming Nancy, and of Henrick Younkin who landed December 1, 1806, from the vessel Neptune, from Bremen, Germany.

As well, a labor of love is being conducted by among a group of dedicated Younkin cousins to scan all of the voluminous three-ring binders of the late Donna (Younkin) Logan. These notebooks contain thousands of pages of extensive Younkin research discoveries on a national scale. The purpose of this large-

scale, intensive work is to convert the information into a very portable, easily duplicated format that can be easily and widely shared with everyone who has an interest.

Ross Howard Younkin, 59, a retired Air Force lieutenant colonel, passed away peacefully Tuesday, Jan. 15, 2008, after a courageous battle with prostate cancer.

Memorial service: Noon Friday, Jan. 25, at Bluebonnet Hills Funeral Home in Colleyville. Interment: 2:30 p.m. in Dallas-Fort Worth National Cemetery, with full military honors.

Ross was born on July 9, 1948, in Baltimore, Md. He graduated from Perry Hall High School in Maryland in 1966 and attended Lynchburg College in Virginia, where he earned a bachelor of science degree in business administration. He later earned a master of science degree in systems management from the University of Southern California and graduated from the U.S. Air Force Squadron Officer School and Air Command and Staff College.

Ross was commissioned an Air Force officer in 1971 and attended undergraduate pilot training at Vance Air Force Base in Oklahoma. He proceeded to pilot instructor training and served as a T-38 instructor pilot and chief of scheduling at Vance.

After completing combat crew training in 1975 in the B-52G at Castle Air Force Base in California, Ross was assigned as aircraft commander, instructor pilot, flight commander and standardization/evaluation pilot at Barksdale Air Force Base in Louisiana for the 596th Bombardment Squadron. In 1978 his crew was selected to represent the Strategic Air Command in England at the Royal Air Force's Bombing and Navigation Competition.

In 1981, he completed Spanish linguistics training and was assigned to Howard Air Base in Panama, Central America, as the chief of the Politico Military Affairs Division of the U.S. Air Force and Southern Air Division. This assignment included organizing an annual conference of the commanders-in-chief of the Latin American air forces and managing the Latin American personnel exchange program. In 1984, Ross was transferred to the 77th Bombardment Squadron, Ellsworth Air Force Base in South Dakota, where he served as B-52H instructor pilot.

While enjoying all of his assignments, Lt. Col. Younkin was particularly proud of his final two. He was selected as part of the initial B-1B cadre in 1986 at the 28th Bombardment Wing, Ellsworth Air Force Base, where he served as an instructor pilot, flight commander and squadron operations officer for the 77th Bombardment Squadron. Lt. Col. Younkin's final U.S. Air Force assignment was as the 46th Bomb Squadron commander at Grand Forks Air Force Base from October 1989 to August 1991, when he retired.

Lt. Col. Younkin was a command pilot with over 4,000 military flying hours in the T-37, T-38, B-52G, B-52H and B-1B. His decorations include the Meritorious Service Medal with four oak leaf clusters, Combat Readiness Medal and National Defense Service Medal.

After retirement from the Air Force, Ross was hired as a pilot for American Airlines, based in Miami, Fla., where he flew the B-727, B-757 and B-767 aircraft, and retired in 2007. Ross enjoyed the change from military to corporate and met Adele in 1997. Grapevine became his second home.

Ross was fun-loving, an avid learner and lived life to the fullest. He amassed an amazing number of friends near and far. He traveled often to visit family and friends, attend Gator football games, concerts, Harley Owner Group rallies and air shows. Ross' interests were wide, his energy and enthusiasm high.

He was preceded in death by his parents, John Ross and Mary Lois Younkin, and brother, Robert Younkin.

Survivors: His loving wife, Adele Younkin of Grapevine; sons, Todd Ross Younkin and Michael Allan Younkin, through his previous marriage with Terry Hobbs; daughter-in-law, Wendy Younkin; grandson, Henry Ross Younkin; and stepsons, Matthew and Alexander Lopez.

History - Ephraim Burt Trimpey.

Since coming to Baraboo [WI] Mr. Trimpey has shown that business and professional enterprise and public spirit which make him one of the City's most valued citizens. He is a very busy man, but always finds time to lend a hand when necessary to the promotion of any organized movement for the general good. Both he and his wife are exceedingly talented people and are well known in local social circles.

Mr. Trimpey was born in Somerset County, Pennsylvania, April 26, 1878, a son of John S. and Nancy (Younkin) Trimpey. His parents were also natives of Pennsylvania and the paternal ancestors came originally from Germany. John S. Trimpey has followed farming and is still living in Somerset County, Pennsylvania. His wife died there in 1889. Their large family of nine children comprised the following: Sarah, Columbia, Almira, William, Etta, John Wesley, E. Burt, Ella and Ida, the last dying in 1909.

E. Burt Trimpey wisely made use of the advantages afforded him by the public schools of Somerset County and also attended normal schools. For two years he was a teacher at Mount Union in Somerset County, and during that time he instructed in all grades, from kindergarten up to post-graduate courses in the grade school. Subsequently at Uniontown, in Fayette County, Pennsylvania, he took up the study of photography, and was there one year. Subsequently he followed the profession in Star Junction, Pennsylvania, for a year, and Rockwood two years, and for about six months was located at Waycross, Georgia. In 1905 he removed to Anderson, South Carolina, and enjoyed a large business in that city for about five years. In 1910 Mr. Trimpey removed to Baraboo and set up the studio, which he still conducts at 407 Oak Street. He is a leader in the profession, does high-class artistic work, and undoubtedly ranks with the best photographers in the state.

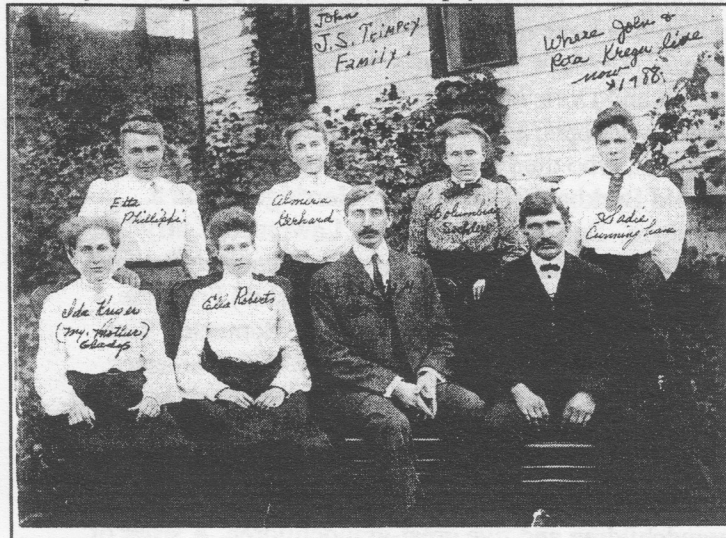

Since coming to Baraboo Mr. Trimpey has taken an active part in the Farmers and Merchants State Bank. He has been a very active member of the Baraboo Commercial Club, serving as director, and is affiliated with the Knits of Pythias and the Sons of Veterans. He membership in the latter organization is due to the fact that his father enlisted as a Union soldier in 1864 and was in the final campaigns of the war until the surrender of Lee at Appomattox. Mr. Trimpey is also a member of the Photographers Association of America and also belongs to the American Numismatic Association. His association with this order is due to his interest in a special hobby, the collection of coins, and he has probably the best collection of that kind in Sauk County. It contains a large range of coinage both of America and foreign countries and includes a number of colonial coins, as well as some examples of ancient coinage.

Politically Mr. Trimpey is independent, especially in local matters, and in nation politics is a republican. Mr. Trimpey married a member of one of Sauk County's oldest families. Miss Alice Kent became his wife March 10, 1910. She is a daughter of Sylvester Kent, who was born in Canaan, Vermont, in 1820, a son of David and Sallie (Ingalls) Kent, who spent all their lives in Vermont.

Mrs. Trimpey was educated in the Baraboo High School. She early showed a talent for artistic pursuits and has studied painting, especially watercolor and pastel work under some of the best masters. Her individual work has met with a large appreciation and has been sold in some of the largest stores of Chicago and other cities.

Since their marriage she has done much to assist Mr. Trimpey in his professional work. In 1915 Mrs. Trimpey invented the "Pricilla Sewing Rack," which is now extensively manufactured at Racine and is being sold all over the country, netting considerable revenue to Mrs. Trimpey. (History of Sauk County, p. 706-7.)

Baraboo [WI] Weekly News, March 20, 1922

The formal opening of the E. B. Trimpey Studio took place today. Many friends called during the day to see the wonderful place, the place where tourists have stopped and marveled and bought heavily of souvenirs to remember the trip and to have for the future of home decoration. They also passed many compliments upon the unusual place for this section of the country. As the visitor enters the building, one of the first things that meets the gaze and calls for the second look, is the old clock, which is about 100 years old, and doing 100 per cent duty in keeping time. It was presented to Mr. Trimpey by the old family physician of the Trimpey family in Pennsylvania. It is called the "Wag of the Wall." (*I feel sure that this clock came from the Younkin side of the family, not the Trimpey side, as there were no Doctors on the Trimpey side. – Linda Marker*)

E. B. Trimpey had a vast collection of Lustreware when he died in 1948. This was left to the Wisconsin Historical Society in Madison, WI. There was a room called the E. B. Trimpey Room. Alice collected antique dolls, and they were likewise left to the museum. She wrote two books on her dolls, which have become collectors' items in themselves. We received this email recently:

For those interested in seeing Alice's doll collection, it is now online with the rest of the Wisconsin Historical Society's doll collection. For the Trimpey collection, go to:

<http://www.wisconsinhistory.org/museum/collections/online/Results.cfm?ParentID=721000>

You will recognize several of the dolls from her books.
